GEORGIA MILESTONES INFORMATION

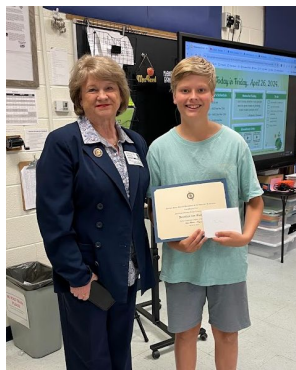

8th grade students will be participating in the final week of Georgia Milestones Assessments. We have provided some quick tips and reminders for all of our families.

- Arrive promptly by 8:10 a.m.
- Students will not be allowed to enter the testing room once testing has begun. We cannot interrupt the testing environment for check-outs. Please arrange for any appointments to take place during these dates to occur after testing is completed.
- Please be aware that lunch schedules will vary daily
- Get plenty of rest each night. Wake up early so that you do not need to rush through breakfast and getting ready. Eat a nutritious breakfast each morning before coming to school.

We are confident that our students will perform like the soaring Eagles that they are! If you have any questions, please feel free to contact your child's teacher or a school administrator.

- Tenga en cuenta que los horarios del almuerzo variarán a diario
- Descanse lo suficiente cada noche. Levántese temprano para no tener que apresurarse al desayunar y al alistarse.
- Tome un desayuno nutritivo cada mañana antes de venir a la escuela.

¡Estamos seguros de que nuestros estudiantes se desempeñarán como las águilas que son! Si tiene alguna pregunta, no dude en comunicarse con el maestro de su hijo o con uno de los administradores
