Peer tutoring may be scheduled on Monday through Friday typically from 7:40 AM until 8:00 AM in various classrooms. Peer Tutors will assist teachers in their classrooms during morning help sessions. If a teacher requests a tutor to help students during this time, the teacher will notify the Counseling Department the week before the tutoring and the Counseling Department will provide a "Tutor Pass" that allows the tutor early entrance to the teacher's hallway and room. If the tutor and teacher determine that the tutoring will be a recurring event, the teacher may provide a permanent pass for the tutor.

Are you a Junior BETA Club member? YES or NO. (If yes, please coordinate earning service hours with Ms. Rodriguez.)

I give my child permission to tutor his/her peers.
