<a href="#">Click here if you need to create an account on Infinite Campus or change your password.</a>	Visit <a href="https://fcboe.blackboard.com">https://fcboe.blackboard.com</a> to activate your Blackboard account. Follow the instructions below.

**Please note:** If you are creating an IC account for the first time, kindly allow 24 hours for Infinite Campus to pass the information to Blackboard.

---

### Activating your Blackboard Account

When you activate your account as a parent, you will have access to all classes that have been set up for each of your children in Fayette County schools with just one account. However, not all schools have activated Blackboard so you will may only find pages for your children at our school at this time.

**If you continue to experience a problem**, it is may be due due to the fact that your [Infinite Campus account](#) is not set up properly. Start there, then after you can successfully log into Infinite Campus, try this process again. However, you may have to wait overnight for Infinite Campus to communicate with

Blackboard before it will allow you to activate your Blackboard account. If you experience problems logging in, please complete [this help ticket](#), but it may take time to resolve each issue.

---

When you are logged into Blackboard, you should see a list of classes that your child participates in at our school on the **right** side of the screen. There will be a Homeroom class as well as a class for each exploratory teacher and any other teacher that your child visits during the day.

**Choose the class you wish to view from the right side of the page.**

Now you will be on the Blackboard site for that class.

On the left side you will find a list of pages on this class site. Usually, you will have pages for contact information, announcements and when appropriate, homework assignments or classroom resources.

We hope you enjoy using this site to stay up-to-date with what is going on in our school and in your child's classrooms. Also, keep in mind that we are all learning how to use this platform. If you experience problems logging in, please let us know but it may take time to resolve each issue.
