

Fayette County High School

ADVANCED PLACEMENT COURSE APPLICATION FORM

Due Date: Friday, January 20, 2017

Directions: There are certain courses that a student may automatically qualify for if they meet the prerequisites. If a student does not meet the prerequisites or if a course does not have automatic qualification criteria, the student will still be able to apply for an AP course using the "Standard" procedure on the application below. Please read all directions carefully.

Complete one application for each Advanced Placement course in which you wish to enroll. **Please complete all applicable sections of this form!** Give the completed application to the teacher of the course for which you are applying along with the required documentation.
