

APUSH SUMMER ASSIGNMENT
Ms. D. Fulwider and Ms. P. Douglas

Welcome to AP US History

Congratulations on your decision to take Advanced Placement United States History. This course is a comprehensive study of American History, dating from Pre-Columbian civilizations to today. This course is designed to give you the knowledge and skills to successfully take the AP Exam in May 2017 and prepare for college level course expectations. Although this course will be challenging, you will gain valuable knowledge that far exceeds what you learn in the textbook.

In order to prepare for the upcoming fall course load, you will need to complete some important work over the summer. We know that summer is an important rest and recharge time for us all, and that many of you have vacation plans that call for travel. It is our hope that by giving this assignment now, and by having it due when you return in the fall, that you will be able to plan your summer in such a way that you can relax a bit and also accomplish this important work.

As your APUSH teachers, we will be available to assist you with the assignments via our email addresses provided at the bottom of this letter. Please note, we will be recharging and travelling as well, so please allow a few days for us to respond. You will be tested on the content that you complete in the summer assignment, therefore, it is important to complete your "own" work and not rely on outside sources.

Have a safe and relaxing summer! We will see you in the fall.
